My cousin John Mark truly had a wild and sweet spirit about him and he will be truly missed . Growing up I used to love coming to Oklahoma when I lived in Kansas, was always so excited to see him , Alan, Patsy and Laura. He would take me riding on his motorcycle and even made a fake bucking bull and loved bucking us off. He was an awesome bull rider in his day , he had it down to an art . Rest In Peace my precious cousin . We will see you in Heaven.
