“ Amber was my neighbor and my friend most the time. Lol we both had no trouble telling each other what we thought but we always came back together as friends. I'll miss you girl but I know you felt you had to go. Rest in peace my friend. Love you always. Prayers for all.

“ I will quote something she said to me recently, "I'm flaky like Pie Crust." I am one of those people that find the "Crust" to be the best part. I am lucky enough to have decades of good memories of Amber. If we live to be 100+ it will not compare to a fraction of time to eternity.

“ Some of my fondest childhood memories were created with Amber. She was super smart, hilariously funny and had a smile that lit up the entire room. May she finally Rest In Peace. Fly high my friend.

“ Darsha. Kids. Family.

I am so so sorry. I can't find the words to say what I really feel. Amber was part of our family as well and just knowing that she and Greg are back together brings me a little peace. I know how deeply her absence will affect you and I hate that you have to go through life without her. Her love for you all was strong and the memories you have with her is where to go when you feel lost. Christ is where to look for comfort and strength. Day by day. Everyday.

Love you,

Cheree, Lexy, Zakk

“ Thank you Cheree...That is what is giving me peace right now knowing she is no longer suffering here on earth, but at peace with Greg and Momma.

“ Amber any time spent with you was always an adventure filled with laughs! The summer we spent playing Paperboy's the Ditty on repeat, or jumping off the rocks at Lake Murray as soon as the sun came up. I have so many memories from when we were younger and I hate that the years grew between us. I love you and will always carry you in my heart. To Darsha and all the kids, you are in my thoughts and prayers! I love y'all!
