“ Bre has and will forever be one of my dearest friends. I was blessed with this chance to be apart of her life only 5 years ago and that was the greatest blessing I have had in a while. She was a amazing friend, mother, sister, grandmother, daughter, wife, and I know this list could keep on going and going... I will forever have her in my heart and I will forever cherish our memories... I love you Bre just as you were my sister. An will miss you everyday of the rest of my life!

“ I'm at a loss of words right now. Bre (Doreen) was one of my best friends growing up although she was more like my sister as well as all the family being a part of mine. I'm just in a total shock as most of the family. I love you sister and I'm gonna miss our talks most of all our goofy giggles talking about the night we went out and has to be brought back to grandmother and granddaddy's house by the police... The Angel's are crying right now here in Dallas Texas. This is not goodbye.... Until we see each again my dear friend save a place for me...

“ I'm a supervisor at the casino. Bre had gotten upset at scott so she walked off only to circle two rows behind him, playing and watching him. Lol..it wasn't too much longer that he got up to follow the way she had walked off. I looked at her and she held up her finger to her lips ssssh. Lol she told She been watching him I said yes I saw you lol..so when scott would stop and start to look her way she would be hiding behind a machine lol. Little did he know she was right behind him following him!;) lol We would laugh about that every time we seen each other. She could tear a piano up! And sing! I said bre! I didn't know you could play and sing! You have a beautiful voice!. I'm going to miss you my friend! All those posts of your homemade cakes! I called her the number 1 Betty crocker home maker and how blessed scott was! She loved scott more then anything and didn't mind sharing that and showing him in her cooking! I miss you and love you Bre!
