

Renne Emsly Allred

November 7, 1938 - April 23, 2019

Renne Emsley Allred, 80 years old, of Kenefic Oklahoma, slipped peacefully into the arms of Jesus on April 23, 2019 in his home surrounded by many of his loved ones.

Renne was born November 7, 1938 to Mamie Lou Stogsdill-Allred and Wylie Emsley Allred in Denison, Texas. He was a 32nd degree Mason. He spent most of his years working as a foreman for CC Tig he was known as hole digger! He was an overtime worker and then some. His family had more than we could have ever asked for.

He married the love of his life and best friend, June Elizabeth Robertson-Allred, on March 24, 1960 in Denison, Texas. They recently celebrated 59 amazing years of marriage during which they spent creating a large and beautiful family.

Over the years Renne and June built and maintained a family circle where they raised their children, grandchildren, great grandchildren, nieces and nephews and even cared for their own parents. As time marched on this became better known as "Allred Circle". In later years a new adventure began to unfold and "Okie Home" located in Kenefic, Oklahoma was established. Both of these homes were built with tons of love, a lot of team work, strong family ties, the inability to ever give up on one another, and of course a grub box. One by one we all seemed to fallow suit as together they instilled roots and most certainly left a legacy.

He is preceded in death by his father Wylie Emsley Allred, mother Mamie Lou Stogsdill-Allred and his sister Martha Pearl Allred-Wright.

He is survived by his wife June Elizabeth Robertson-Allred, two children: Charles Emsely Allred and Marie Allred-Reeder, five grandchildren: Apral Allred-Mitchusson, Amanda Fox, Alisha Allred, Daniel Allred and Jacob Allred. He leaves behind 8 beautiful great grandkids, 2 great grand dogs and several nieces and nephews whom all loved him so much.

He was and always will be our Papaw!

Services will be held 2:00 PM, May 11, 2019 at Trinity Life Church 15040 Highway 48
Kenefic Oklahoma 74748.
