“ *Aaron was a dear friend from my high school days. Although we went our separate ways many years ago, I've forgot him. He was a compassionate and gentle person, and I'm sure those traits made him an outstanding police officer. My deepest condolences to his family.*

“ To all of Aaron's family,

Aaron was a wonderful, gentle and kind person. Having gotten to know him in H.S. was one of the good memories I have of those days.

His contagious smile and big heart will be the things that we all remember first when we think of him!!!!

I pray that time has helped all of you in your healing from this huge loss....

Aaron will definately be someone that will run up and give me a hug when I see him in heaven, something I will look forward to when my time comes.

God Bless you all,
