“ So sorry to hear of the family's loss. My condolences to Joy and the children, grandchildren and relatives. At times this moment is expected, yet we are never ready when the time arrives; however, we can be prepared when our time should arrive. “ Patti and I are heartbroken, as so many others. There are people who cross our path in life that leave large imprints on our heart. They are genuine and true. Our dear Uncle Muggs was one of those people. We have been blessed to be in his presence. We will rejoice in his homecoming and be saddened for our loss in this world. Our prayers and strength go out to Joy and family in this very difficult time. We love you all.

“ I knew Muggs by way of my Uncle Dude, his brother. I was a young child, but I remember him to be a fun-loving, generous, and kind human being. Over the years I hardly ever saw him and Joy, but I kept up with them thru Dude and Hazel. May God give you strength to bear your loss. God Bless this family.

“ I loved Uncle Muggs very much. I always felt a connection with him...no doubt a lot of people would say that, he was so warm and inclusive. I won't forget getting in a bidding war with him to buy the lantern the brothers used to go hunting with! Although he eventually 'folded' and let me have it, he asked I not let it get out of the family. I enjoyed that lantern for several years, knowing it's story. A couple of years ago I brought it back to him at the family reunion. I will never forget him.
