“ *Aunt Frances could make the best fried potatoes! Her giggle was contagious! Her memory of birthdays and middle names impressive. She was always "there" for us when severe illness stuck our family. Always asking about our extended families, she tried to keep up with new families members.*

With Uncle Kenneth by her side, she loved to tell us about what all of her grandchildren were up to. Her pride and love for ALL of her family was her source of happiness and strength.

The Bible says that her family is rejoicing with a Heavenly reunion.

God bless all of you, her sweet family.
