“ *My family's hearts are deeply saddened by the passing of Angelo. Angelo is one of my youngest brothers, Jimmy, best friends growing up, a brother. He was a true, loyal friend. Quiet and polite most of the time with his big smile. I know he loved his Grandparents very much. He was always very respectful to my parents. Angelo thank you for being by my brother's side, loving him and looking out for him like a brother. I will forever be grateful for having his back and being by his side thru the good and bad memories. You will forever live on in our hearts. Rest in Heaven Angelo. You are now an Angel watching us from above. I'm sharing a message he sent after a picture of my Dad was posted. True words, he was my brothers brother.*
