“ Anita, we shared some great moments, had fun together, and made so many memories I'll remember forever. We had lots of laughs and shed some tears, as we supported each other through tough times over the years. You've been such a big part of my life for such a long time. I'm thankful for all you did, even when you didn't have to, and for the love and support you gave my family. We love you, Nani, and we'll miss you deeply.

*And don't worry—I'll take good care of Sister, Miguel, and the Princess, also known as Sharolyn, Carsen, and Madisen. I swear you had a funny nickname for everyone.*
