“ My oldest friend, I truly never imagined this day. Nearly 40 yrs ago you sat on the bus w me and were so stinking sweet, helping me find my way around while your mom helped my brother. I always loved your family and it was so much fun growing up, spending summers at the pool... that's how I see you. Bright and shiny girl 💕. It was such an honor seeing you mature, marry, be a great mom, and working with the kids. I'll forever love you and miss you. I wish I'd stayed closer to home for you.
