“ When we moved to Oklahoma 2 years ago, Bud was our first friend. Since that time he would bring us the paper, or leave candy and bags of pennies in our mail for the kids. He would drive up and sit under our tree, read the paper and watch the kids play...they loved to see Bud come driving up. We love Bud! Our thoughts and prayers are with the entire Jamison family. We just wanted you all to know how special he was to us.

“ *What a beautiful smile he had! And oh what a strong will to go on. Dear Uncle Bud you blessed this world with three beautiful children, and even more beautiful grandchildren. They will miss you so much. Home just won't be the same without just knowing you are there. Wish I could be there with the kids. I love you Tanya*
