*Dear sweet Bailey,
You have always been such a sparkling star that has illuminated everyone's life that you have touched. Even in departure from this earth you have managed to reconnect family and friends that have been dislocated from each other. Your spirit is so special and strong. Your footprint shall remain for generations to come from your successful work of showing people the way. We are so grateful for you and your wonderful spirit that has graced our lives. May you be so rewarded for all of the kindness you have shown.
Many prayers and thoughts for our grieving friends and family.
Love,
Uncle Steve and Aunt Cheryl*

“ *Condolences to Bailey's family and special hugs to the kids. I always enjoyed seeing her and talking with her about our kids and just visiting. I'm so glad we got to visit at a wedding we both attended a few weeks ago. She was so sweet and I was glad to call her my friend. Fly high sweet Bailey.*
