“ *My Aunt Barbara was one of the strongest women I've known! She had the most contagious laugh! She laughed her way through every storm, even if she was hurting so bad on the inside....she made loving her so easy! She was a shoulder to lean on...she had a smile and a word of encouragement for every situation...she always, always told me how proud she was of me...I loved her so much...I loved spending time with her and I'm going to miss her so bad! God could not have given me a better Aunt and I was so, so blessed to have her in my life!*
