“ *Betty's Spirit for life will live long in my memories. She always had a comment to any situation and it was usually loaded with common sense and some humor. Many of her passengers would tell me they really enjoyed riding with her because she first cared about their comfort and safety and then she always made them laugh.....no matter what was going on in her life. I'm so glad to have known her and will truly miss not seeing her come in each morning. May God Bless her loved ones with the courage and strength that lived in her each day of her remarkable life.*

“ I remember going to church with her. We had alot of good times doing fundraisers together and all of the church dinners and fellowship. She was always willing to help in any way she could. Her faith in God was strong and she held to that. She was one of my sons Sunday School teacher he said he learned alot from her. She was sweet lady and my family will always miss her.Our thoughts and prayers are with them. The Boyd Family.
