“ *Loving, giving, kind and down to Earth was my Aunt Betty. She was ready with a hug, sympathized with you when you were upset, wanted to feed you or give you a vitamin to make sure you were healthy. She had a smile of greeting for you no matter how she was feeling. Betty was beautiful inside and out; her light shined brightly. Till we meet again, Aunt Betty, Love, your meecy mouse, Teresa*

I grew up with her kids Jeana and Lynn. I remember going to church and hearing Pete preach and Betty play the piano. I haven't seen them in a long time but they were one of the sweetest family's I have ever known. I will pray for the family and God be with you. David Thomas
