“ Hi. I'm Peyton Jackson, one of the Great Grandson's of Homer and Betty Gilbert. The reason why I'm writing this is because these two were one of my ways to help me through life. I helped Homer with the fieldwork, and helped Betty with the gardening. We would go to a western local cowboy dancing place on Fridays or Saturdays. It was so nice to just dance and have fun. Miss you bunches. Love you grandma and grandpa.

“ A wonderful couple, so sad they were taken from us too early. They were both sweethearts and Marty loved getting hugs from Betty - always made his day. Especially when Homer would give him a little grief over it... I know they will be sorely missed at That Country Music place where they were regulars. My prayers are with the family in this difficult time, know they were loved by all that knew them!

“ i went to school and road the school bus with both Sis and Alan. I grew up knowing and loving Homer and Betty. One thing I remember the most is that they were always friendly always had a smile on their faces. But probably what I think of the most is that I never saw one without the other. It is only fitting that God would call them home together. God Bless you Sis and love you!

“ Betty Gilbert was very special to Glenda and I I and she showed her love for us in many ways. She would tell us to come pick the garden and sometimes by the afternoon she would already have it picked and she would bring it to the house on the gator. She would give Glenda motherly advise and this was so much appreciated. The simple things like talking about her chickens or sometimes just sitting on the couch and talking or memories that will be treasured. We love all of the family.
