Big Dave, Stormy and Jeremy. I can't imagine what you have been going thru. She is an angel now without pain. I remember all the visits and the good times we all had together. I pray that God will hold you tight and help you thru these rough times. May you find peace.

“ *Near a shady wall a rose once grew
Budded and blossomed in God's free light
Watered and fed by the morning dew
Shedding it's sweetness day and night*

*As it grew and blossomed fair and tall
Slowly rising to loftier height
It came to a crevice in the wall
Through which there shone a beam of light*

*Onward it crept with added strength
With never a thought of fear or pride
It followed the light through the crevices length
And unfolded itself on the other side*

*The light, the dew, the broadening view
Were found the same as they were before
And it lost itself in beauties new
Breathing its fragrance more and more*

*Shall claim of death cause us to grieve
And make our courage faint and fall?
Nay! Let us faith and hope receive.....
The rose still grows beyond the wall*

*Scattering fragrance far and wide
Just as it did in days of yore,
Just as it did on the other side
Just as it will forever more.*

*Now, David, Stormy and Jeremy and all your family who deeply feel the loss
Be comforted..the rose blooms there
Her beauty even greater now, nurtured by God's own loving care.*
