“ *Beverly was my neighbor for a few years. She was a friend to me. She was a giving person who had cared about everyone. I'm so sorry for the family. May God be with you as you deal with this huge loss.*

“ *Beverly was my sister. I remember daddy telling the story about when we were little, and her being on the basketball court. As in most games, when the ball went wild, everyone dove onto the ball in a pile :) Well just about every time, it was Beverly who came out of the middle of the pack dribbling her way out. He really loved telling that story. She had a very kind heart and would help anyone who needed it. Love you Beverly - Annette*

“ *Beverly was my dear sister who was sick for a very long time. When she was a little girl Joe Mashburn carried her around on his shoulders everywhere. She was a very active child and climbed on everything. Everyone loved her. Now she is in heaven with Mom and Dad. We loved her and will miss her. God be with David at this time. Susan and Kent*
