“ *My sympathy goes out to all the Jeffries family. Billie June and I had an immediate rapport when we first met after our children united in marriage. Billie June had the most loving personality. She might have grown older, as did I, but that love was still there when she came to visit me a couple of years ago. I celebrate her life and the many lives she has touched. Thank you, Lord, for the priviledge of knowing her and calling her my friend. Until we meet again,
Katie
