“ *Sending love and prayers out to the Caldwell family this morning. I wish I could be there, but I'm so glad I got to make it to the hospital to speak to him before his final time and say my goodbyes , definitely never met a man like Bill, but I'm glad I did. He did nothing but be a positive influence on me. I'll never forget mowing the grass with bebo to make a few bucks to go buy new "mudd" jeans at the mall. Or the way you would answer the phone and knew it was me. With that "hey, kiddo" . I'll never forget watching the debates the first yr me and billiejo voted. I won't forget our thanksgiving at KFC , or knowing I was always welcome. So many stories and memories and laughs. You will be greatly missed, I may not be there in person today, but know my love thoughts and prayers will be with you all today and the days following.*
