“ *Linda and Michael,*

*I am just devastated to hear about Bill. I came across the obituary on the internet. My mother and dad owned the bus station in Tucumcari, NM many, many years ago when Bill was on driving the bus here. He was a part of our family while he was here. He was one of the kindest people we would ever hope to know. He talked about you both so much, especially you Michael. You were just a little boy at that time, but the light of his life. We lost touch and hadn't seen him for about 34 years. I hope and pray his life was wonderful and everything he wanted. Don't know what happened to him, have thought of him fondly for all these years. GOD BLESS him and God Bless your family. I am so sorry. God be with you always- -*

“ Your loved one has left behind a thousand moments that will live in your heart forever... Please know, at this difficult time, that you are in so many thoughts and prayers. Remember, God will take care of you and will give you rainbows after the storms. May you always be in harmony with the beauty and wonders of Gods world, and may His peace surround you at this difficult time. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.
