Billy Wayne had the ability to make my mother laugh even during the last year of her life when her health was declining. I appreciated he and Judy's visits so much and will always be indebted for their friendship. God bless you Billy and prayers are being lifted for Judy and his family.

Billy Wayne and I grew up together at Wade. He was the nicest guy that I have ever known. We wore the wheels off that yellow and white scout he had. It was honor to have Billy Wayne as a friend. May God bless all of his family

“ I so loved my “Cuz” Billy. We had so much fun together....from him always telling me that without me he never would have made it through high school, especially English. Also, I remember all the times he visited me in Calif. Of course, he said he only came for the sweet corn and the fresh salmon that I would cook for him. But he did not come to see me. I am so glad we could make the 50th reunion a success last year. We will plan another celebration when I see him again.
