“ *Ruby, William, Kenneth & Steven, please accept our sincerest condolences. Bill was a great man and I am so very fortunate to have known him. He took great care of me and taught me a lot when I broke out with him with Mobil. He was such a great teacher and mentor, I learned so much from him. Bill was one of those people that have an impact on you for life and for that I am so very grateful. The old fart nearly worked me to death a time or two but I certainly learned some lessons that would last a lifetime. Take care and God bless you and your families.*

“ Dear Ingrams,

My heart still breaks for the loss that your dear family has suffered. Steven lost a hero, Lindsay lost a father-in-law that she loved, Madyson lost her favorite PawPaw and Bryson lost his favorite tractor man! I'm sorry I'm not able to be a PawPaws celebration, but I send my condolences to you all.

“ Our deepest sympathy to Ruby, Willie, Kenneth & Steven. I know he will be missed most by his sons who were lucky enough to share a bond with the man who taught them to hunt and race. Many memories are shared by me (Nathan) while growing up and feeling like a special part of the Ingram family. Our prayers are with you Ruby, for the loss you have suffered, of the man who has filled your life for so many years.

All our love,

Nathan & Shelley
