“ *I miss my dad so much. I wish I could just talk to him one more time, hear his voice one more time, get a hug one more time, & a kiss on my cheek one more time. He always gave the best most sturdy hugs if that even makes sense, but it does to me. They felt strong & comforting & I didn't get enough of them & now I can't get another one. I wish I could. I love you dad.*

His mom (Nona Faye) and our dad (Toy Lee) were siblings. We remember his dad (Bill) being at our house all the time before he married Billy's mom (Nona Faye). Billy inherited his dad's humor and his mom's eyes. He will be missed – Cousins: Wanda, Patty Ann, Peggy and David “Bean”
