“ *My thoughts and prayers are with you all during this time.. I loved Bobbie.. I can remember when she used to make James drive us back to school after lunch break so we wouldn't be late after sitting in the kitchen of the Blue Store watching "soap operas" and having lunch.. She was a jewel.*

“ *Mandy and Dustin, and the rest of the family. There are no words to make one feel better at a time like this. All one can do is remember the good times, and the love that you shared. Keep her in your heart and never let her go that way and she will always be with you. I am sorry for your loss, but know she is at peace and in a better place than here.*
