“ My condolences to the family, my family lived down the road in Silo. We remember "Chico" the horse Bob and Dorothy had back in the 80's. Thoughts and prayers to the family.

“ Felt like we have known Gpa & Gma for years by the loving stories from their granddaughter. Gpa's physical presence will be greatly missed by his loved ones (family, friends & caregivers)but his spiritual presence will live on in the lives that he touched. I have to say the word "Boost" has a special meaning. Lord, watch out you've had one enter through the gates that's full of piss and vinegar. I say that with the upmost respect to Gpa and family.
