“ *Monroe Family, I have been struggling with what to say. Bobby was a wonderful person who never met a stranger. Anytime you were in his presence you had to smile, because he always met you with a big grin and a greeting in that distinctive voice of his. If you needed a helping hand, he was there. He was a big help in keeping the Goff family plot clean at the Woodville Cemetery, and it meant a lot to know I could call on him for help. I am so grateful that Renee and I got to see him this summer when he was healthy and his usual smiling self and give him a hug. He was one of a kind; a good man with a big heart, and he will be missed. -- Candis*

“ I've never heard of anyone who didn't love Bobby. This was especially true of my son Ronny White. He turned to Bobby for personal as well as church needs. He passed this love on to me and I grew to love Bobby and Brenda after moving here. Brenda, I know you will be lonely and I pray for God to comfort you and your family.

“ Bobby was so kind to Daddy Bob. He knew that my 94 year old Daddy loves turnips, and Bobby would back into our driveway to unload a bunch. Always giving to benefit others. Missing you, Bobby.

Bobby's heart was a heart of gold, there was nothing he wouldn't do for anyone in need or just a simple favor. When our daughter, Mona Kaye was in OKC hospital, Nancy was taking care of Jackie who was taking chemotherapy at the time because I couldn't care for both of them. Bobby came to the hospital and noticed she didn't have a TV in her room ( that was when you had to pay for TV). He visited a little bit, came back with a tech and had TV turned on in her room and paid for it. A few days later he came back and leaned down and said very guitely "would you like to have a beer? I said I would love to have one. He said " come on I have some cold ones in the truck" we sat in his truck and drank beer. No one knows how tight I was wound and felt like I would break down any minute. He told me he could tell I was almost on my last leg! The visits from him and the cold drink settled my nerves and and I felt so much better. He was one of the most caring, loving, kind person I've ever known. There will never be another like Bobby Lynn!!!
