

Brenda Kay Robison

January 4, 1958 - January 13, 2021

Brenda Kay Robison, age 63, of Durant passed away on January 13, 2021. She was born to Cob and Ina Robison on January 4, 1958 in Durant. Growing up in Lewisville, Tx. Brenda had the nickname Sunshine because she would spread sunshine wherever she would go. Brenda attended Lewisville High School, and later in life received her Cosmetology certification from Aladdin Beauty College in Denton, Tx. where she was a cosmetologist for several years.

Brenda moved to Bryan county in 1993 and was a long-time nail technician in the area. She also worked for Choctaw Casino dealing blackjack, which she loved, and the last several years she was the full-time caregiver for her mother. She attended The River Church in Durant and she loved her church family. She enjoyed nothing more than spending time with her family and friends, especially her grandchildren. She enjoyed watching movies, painting, and going swimming with her grandkids.

Brenda enjoyed being around people and hearing their stories, she loved to laugh and had a beautiful smile. She has been described as very boisterous and outgoing; you always knew she was in the room because you could hear her over everyone else. She was loved by so many, and you may not have agreed with her or even liked her sometimes, but to know her was to love her and appreciate her straight forwardness. Brenda and her smile made this world a brighter place and will be truly missed.

“ When Brenda and her Mom moved back to Oklahoma, Brenda became caretaker for her mom, Brenda and I became closer. Her mother, Ina, and my father, Estel St. John, were siblings. I visited every year from Menlo Park, California. My husband and 3 sons Dan, Andrew, and Jonathan, were always with me. I bought a little house in Bokchito next to my brother Dwight and my Mom Fern Ely St. John. We would have get-togethers at our little house. Brenda would bring Ina. Brenda would also bring her daughters and grandkids. We loved watching Ina and my Mom sit together in the backyard, watching all the grandkids run around together. We all had a great time together.

Brenda and her daughter Tanya came to see my Mom at home, and when Mom went into assisted living. They would do her manicure and brighten her day. They also did some of the cosmetics for Mom at the funeral home. I will never forget the special gift that was.

One of my fondest memories was getting together with cousins and others for a trip to Grandma St. Johns's farm. We took Aunt Ina with us and had lunch together that day too. I was always amazed by how they always took Aunt Ina with them wherever they went.

My family sends sympathy to all who loved Brenda. She was funny, honest, and did not gossip or say bad things about others. She always tried to see the good in everyone.

After the threat of Covid is over, I hope to go to Brenda's grave and lay some pretty flowers. Rest in peace, beautiful, smart, funny Brenda. I will never forget you. Thank you for taking such good care of our Aunt Ina.

Love to all who Loved Brenda
