“ I knew Bret for a short period of my life & I'm so honored that I got to call him my boyfriend during that time. You were so soft spoken yet a blast to be around. Im utterly heart broken over your passing. I know we will meet again & when we do we can watch anime & jam out to music again.

My condolences go out to his family. Ill be celebrating the life of a good person and mourning their passing with you.

“ I met Bret in 2020 and since then he always spoke so lovingly of his brother, his mother, and his grandparents that he lived with. I was so blessed to know, love, and spend so much time with him. He was such a sweethearted soul who never wanted anyone to feel bad. I'm so sorry for the loss and I pray for those here. I also pray I see him again in another life ❤️
