“ *I am so sorry for your loss, please accept my sincere condolences. May the God of all comfort sustain you as you await the promises found at John 5:28,29 and Rev. 21:4 where God promises to do away with all the things that cause us suffering and pain including death here on the earth forever. (Psalm 37:9-11). It is my sincere hope that these thoughts comfort your family at this time.*

“ Im so very sorry for your loss. I used to work with Brian at Taco Mayo. He was always so energetic and had a smile on his face. He would quiz me on movie phrases and quotes and was always saying he was going to the gun show. I remember when Andrew was born, he was so excited. My thoughts and prayers are with you all.

“ Coleys,  
*I am so deeply saddened by your loss of your two family members. I pray that some comfort can be found in the good times.  
Brian was awesome smart, super kind, playful and just a legit guy. Of ALL the souls on this planet.... why this one.  
Man.. such a rare and real kid.  
The best ones always go too soon.  
So many things to miss but mostly the "picking each others minds" parts. So much.  
Man, Ill tuck ya close and carry you in my heart with the others.*

*My thoughts are with you all.*

“ Brian,  
*Ill forever be your friend and miss you terribly. Ill always remember all the crazy and fun times we had in school.. Hanging out on the playground with you and Billy Aguirre or you and Lonnie Partain!! Ill never forget the time you jumped the fence and the bone came thru your arm!! Ouch!! Ill never forget the time Jeremy Stick and I picked you up in my red Geo Storm lol and you were so surprised that I liked Pantera!! Haha we had so much fun that day... I was so glad when you came to work at Kings Daughters!! Even though I didnt always show it, I adored you and was so happy someone from my past was there that knew me.. The real me! You told me my mom was one of your favorite teachers and I know you were one of her favorites too! I can only wonder if she was there to greet you on the other side. If so, tell her I love her and how wonderful Malorie (Sally as you called her) is!!! Good call ...!! As you would say. Ill miss you, but you are forever in my heart.*

“ Brian, you were a best friend to me. Its not the same here knowing that this is real. Id give anything just to have another guitar hero match with you. You were my number one fan, as I was a hero in your eyes. Im going to miss showing each other what crazy socks we were wearing everyday, and all the candy you would bring to give out. Thank you for all of the laughs we shared, I never had a bad day when you were at work. I love you dearly and will never forget you.
