“ *To the family of Charles Cox, my deepest and most sympathy goes out to your family. Sometimes when we loose loved one we have questions that arise.. We all want to live, and we want to be able to enjoy our lives with our loved ones.. Its only natural that we yearn to see our dead loved ones again..*

The Bible teaches,, that most people who have died will be resurrected. Jesus promised that "those in the memorial tombs... come out." ((John 5:28;29) In harmony with God's original purpose, those resurrected as humans will have the opportunity to live on a paradise earth.(Luke23; 43) This promised future includes perfect health and everlasting life for obedient humans. "The Bible says: "The righteous themselves will possess the earth, and they will reside forever upon it."
