Epic!!!! I see a lot of love and life in these pictures. Having been one of the first people you told about your relationship I feel privileged to have been in on it! I remember clearly you two telling me and I remember thinking how wonderful!! This video shows that you had a great time together. The good ole fashion down home loving life! It's what we all want yet few experience this deeply. I love you both and am so happy for your life together. You both deserved it! Love ❤️. Jessica

“ I met Charlie while we were moving into our new store back in 2003. Over the years, he and I would chat on the phone about business or whatever else was going on in our lives. He was always upbeat, and so was a pleasure to talk to. I am really sorry to see him go.
