“ *I had the honor of caring for Christa during her treatments in Denison. I loved her and wished this could have ended differently. She was smart and witty. We broke rules to get Jeremy in during Covid and it was our own little joke. We found laughter in the face of a horrible diagnosis and a pandemic. I will forever miss that sweet smile. Prayers for Jeremy and your daughters*❤️

“ So many memories of Christa from her time in high school at Custer. We had some great laughs as I rode along with her as we burned up the roads in that black Tbird. She had such a contagious laugh. We were also the first of four other girls to ever enroll in ag classes and be FFA members at Custer. When she got married, I remember sitting in her wedding just beaming with pride for her because she had found the love of her life. A life taken way too soon. I am praying for all the family.
