*Gosh were do I began!!! We were headed to Ryker's 1st Birthday. We had a blast the night before. Found the bloody car keys in my front yard.. HAHAHAHA. Don't ask. LOL. Our many nights late nights talking. Our VERY FIRST LUNCH together!! It was at Fuzzy Tacos when you came to the city. I just loved how we automatically felt as if we knew each other our hole lives and how the kids feel in love you just as much and easily. I reach for my phone to text you saying hope your having a stupendous night. Wake up in the mornings wondering if I am going to see a random snap chat. I always looked forward to seeing them. You are and will ALWAYS be loved, appreciated and missed. We may not be blood related but that does not mean a damn thing!! You are my sister as I am yours!! I am truly lucky and blessed to be able to say that. I am honored and proud to have such a GENUINE WOMEN, MOTHER, AUNTIE, SISTER, DAUGHTER, WIFE, AND BEST FRIEND IN MYLIFE.*
