“ *I have so many memories to choose from. Band trips, staying the night at each other's house, playing video games till morning, just... The brotherly love. I still don't want to believe it. We would always give each other a hard time leading up to our birthdays, you on the 15th of February, me 6 days later. You were like the little brother everyone wishes for. This chapter of our paths may have closed, but we had a great run of it. I love you Chuckles. Gonna miss you. My prayers and love are with you still and to momma Dee Dee and your family as well.*

“ *Chuck was a good mannered young man when he came and stayed with us. We went to Disney World and swam in the Atlantic Ocean when he was about 7 or 8 years old. Then he loved riding 4 wheelers on our farm. My heart goes out to Dee Dee and the family.*
