“ *I am a fortunate individual to have know Claris over a several year period during my visits to Choctaw's Travel Plaza. She always brightened my day. She would go out of her way to help anyone and always had a welcoming smile (and the occassional baked treat. I'll miss sharing a joke with her and I'll miss her rapping me upside the head when I teased her. She once gave me two kittens and I'll think of her all the more often as I enjoy their company. She left us all too soon and those that knew her will all share a tear and a fond memory when thinking of her. My sympathies go out to her family. Goodbye Claris.*

“ *I can't even begin to describe Mrs. Claris! She was a person like no other. It doesn't suprise me one bit if she is up above us already making some cake bites or fried chicken. My heart and prayers go out to her family, who loved her more then anyone else. As a survivor I say this lap is for you.*

“ *Kirby, Robin, Suzanne, and boys.. You have been blessed with the most beautiful angel of them all. Claris was an absolute one-in-a-million type of person and she was one of the most genuine people I have ever met. I love all of you.*

“ *Words can not express the pain I feel for your loss. But your mother and grandmother taught everyone that knew her some of the greatest lessons on how to handle the most difficult times in ones lives. She will be greatly missed, but remember she is setting beside the best now and no pain. Love to you all.*
