With deep sadness I heard about the passing of Ronnie as I always knew him. I will always remember our memories growing up in Durant. We have lost a good man from the class of 65 that will missed by many that knew and loved Ronnie.

“ Will truly Miss my good friend Ron (City man) as I always called Him, We spent many mornings at McDonald,s visiting with other friends, Ron had his special stool at the end of the bar we sat at, We called it the Kings seat, I would some times arrive McDonald,s first and purposely sit on his seat, First thing he would say when he came in is get off the Kings seat, sometimes i would and sometimes i would wait awhile just to aggravate him a little.
