

Clinton Jack Hays

March 11, 1957 - March 2, 2024

Clinton Jack Hays, age 66, of Kingston, OK unexpectedly entered into the Kingdom of Heaven on March 2, 2024. Clint was born March 11, 1957, in Purcell, Ok to Jack and Donna Hays. He was the first of four children. Clint attended several schools growing up until the family found a permanent home in Pauls Valley where he became a star athlete in both football and track. He was a state champion in both the 120-meter hurdles and the 300-meter hurdles and earned the honor of All-State track. Clint graduated from high school in 1975 and attended Eastern Oklahoma State College in Wilburton, Ok on a track scholarship. Clint worked in auto body repair most of his adult life and his love of track led him to volunteer as a Track coach at Purcell High school where he helped coach a state champion hurdler. Clint loved being at the lake and would go every weekend he could until retiring and moving there permanently in 2018.

Clint's dearest and happiest moments came when his daughter Holly was born in 1984 and he married the love of his life, Robin Maria (Duty) Hays on September 7, 1989. He adored his wife and daughter and loved his family and his lake family. He enjoyed fishing, boating, gardening, building things and any activity where he was outside and surrounded by family and friends. Clint was known for his witty sense of humor, telling funny stories, making people laugh and his award-winning salsa. But most of all Clint was known as that person who always made those around him feel they were the most important person

in the world and believed the purpose in life was just to be happy. He often said, "we live in the greatest place on earth so there is no time to be upset or be bothered by what you can't control, just be happy" and that is how he lived his life. He often told his wife "Honey if I died today just know I have lived the best life anyone could have lived and will go out happy." Clint was an amazing father, husband and friend and will be sorely missed. He will be our hero forever!

“ Our hearts were broken to hear that Clint had left this earth. He was such a special guy. We have countless memories of him at the track, investing countless hours in Dragon athletes. He touched many lives and was tremendous influence for the good. In recent years, we appreciated the opportunities to catch up with him at the lake. Words really can't capture or adequately express how much we thought of him. Much love to Robin & Holly!

“ Words can't express how sad we were to learn of Clint's passing. Over the years he went from being our next-door neighbor at the lake to someone who we consider to be family. We have countless memories of him but the ones that stand out are the ones that involve him playing with our son when he was younger, sitting around the fire pit (Clint was notorious for being able to create the perfect ambient fire) or on his front porch visiting while numerous other neighbors stopped by to join in on the fellowship. Our family was very fortunate to have shared countless potluck dinners at the Hays house along with an endless array of evenings where we would just stop by and we would play cards or help them put a puzzle together. My husband often went to Clint for advice for a variety of subjects and we also looked forward to sharing our triumphs with him and Robin. We are fortunate that we knew him for the length of time that we did and will cherish our memories with him for years to come. Robin and Holly: We love you both! Love,
The Conner Family
