“ I went to Kiamichi with Curtis, he was such a great friend, always had a smile on his face and the best attitude around. Always willing to lend a hand, he helped me put in a brick patio one time at my mom's house in Durant. Lots of good memories with him, we even went to California for National Leadership Conference. Great times! Rest in peace my friend!

“ Curtis used to be one of my residents when I worked at Fourseasons. He was a joy to be around on a great person he was one of my people saddened by his passing. He got it okay in front of the administrator and the Don about coming into the laundry room to iron his clothes because he always had to look presentable. 🕊️ Fly high my friend
