“ *Uncle Curtis was an amazing, incredibly gifted, man who could do anything he set his mind to. He was also the funniest man I ever met.*

My thoughts are with Aunt Betty and Danielle at this difficult time.

Rest in peace, Uncle.

“ Curtis always treated me with kindness and like I was his own when he was near. I will always be grateful for him buying me the Michael Jackson vinyl record when it came out. I was so excited! His smile was contagious and his hugs were sincere. Hopefully he is dancing gracefully with all his family and friends who have gone before us. To all the family and friends here, just remember... he is not gone, only ahead of us, til we meet in Paradise. Much love, hugs and prayers for strength and guidance to my sister Danielle, Betty, all family and friends through all this. May he be another beautiful angel upon us, to watch over and keep us safe. Until we meet again, you will be missed here. But never forgotten. ❤️

“ *Curtis and I met and married as teenagers so I have many good memories from then but the best memory of all is the gift of our daughter Danielle.
I would like to think that he is at peace now with his family that has gone on ahead
My sincerest sympathies to Betty and Danielle at this time.
May God bless all of his family in their time of heartache*

I met Curtis when I was 19 shortly after I became friends with Danielle at our College. Curtis always treated me like family. His hugs were the best! He always made me smile, laugh and feel welcomed and loved. The world is a little more dim without him. See you on the other side Curtis ❤️ Adel misses your sparkle ✨
