“ *....Until we meet again. Those special memories of you will always bring a smile to my face. If only I could have you back for just a little while. Then we could sit and talk like we did every Tuesday morning. You always meant so much to me. We were cousins but we were more like sisters. We always had a special bond. The fact that you are no longer here will always cause me pain but you will forever be in my heart until we meet again. I love you.*
