“ *We are very sorry we cannot be there in person. But please know you all are in our thoughts and prayers. May Jehovah God give comfort and strength and peace to console our minds and hearts.*

“ *First of all, I am so sorry for your loss. A great lady will me missed. A wife. A mother. A grandmother. A sister. A friend. I was in physical therapy with Daloras and listened to her talk about horses, which was very interesting. I had the priviledge of praying for her and I hope that the family all was able to see her before the end. May the Lord be with each and every one of you and the hard days ahead come and go. Remember that Daloras will always be missed by many people. Daloras touched many, many lives. Even if only briefly.*
