

Dalton Chandler Parsons

July 3, 1999 - October 13, 2025

Dalton Chandler Parsons of Haskell, Oklahoma, was born in Oklahoma City, Oklahoma on July 3, 1999. He passed away at his mother's home in Arkoma, Oklahoma on October 13, 2025, surrounded by family in his mother's arms. Dalton spent his childhood living in Kingston, Oklahoma on Lake Texoma, in Haskell Oklahoma and Alex, Oklahoma where he graduated high school. Dalton joined the Army National Guard, then worked various jobs including working for the City of Durant and doing security for the Choctaw Nation.

Dalton's life was cut short due to a drunk driver before he achieved his goal of following in his dad's footsteps by becoming a truck driver. Dalton's main joy in life were his sons Daxton and Danyon. Dalton was very musically talented. He loved playing the guitar, keyboard, piano, tuba, trombone, and any instrument he came in contact with. He had a natural talent that won him many awards and achievements, but his joy came from making others around him smile when they heard him play or sing. Dalton spent his life helping people, cheering people up, pulling pranks or doing stunts to make people laugh and smile. Dalton brightened up every room he walked into. His smile was contagious.

Dalton gave his heart to God in Jesus name and is being held by him now. We will forever long for the day when we can embrace him in our arms again and see his beautiful smile.

Dalton is preceded in death by his unborn child, his grandfathers Melvin Davis and Jimmy Parsons, and aunt Gina Henson.

Dalton is survived by his sons Daxton and Danyon Parsons, and their mother Arianna Parsons; mother Karla Davis Vanatta and husband Brian; father Bradley J. “ Sweet Dalton, sorry I couldn't make your service. R.I.P

I remember when your family had a barn party for your “going away to boot camp party” that is the best memory I have! We rode 4 wheelers in the pasture, ate cake and had a barrel fire.

You will be truly missed! I love you Dalton! 🙏🌹

“ Dalton left footprints in my heart as well as so many others in this last year. He really never knew the number of lives that he left such a huge impact on, and that will never leave us. The strength and faith his mom has, has left us all with a more understanding how Big our God truly is. Karla and Dalton touched this world with their hearts, and it will surely never be forgotten. I love you Dalton. You have been healed now and no more suffering and pain.
