“ *April, Girls, and your families. Dana was always one of my husband's (Jim West), most favorite people. JP and Shelda got to know you in a special way, not just CSI, because of your girls and Robert. It's hard to believe they are all grown up and parents! I know both of you loved being grandparents, I know you will cherish the wonderful memories all of you had with Dana. JP and I wanted to plant a tree in honor of Dana, we knew how much he loved being outdoors! Our prayers are with you, we know how bad this hurts! Blessings and comfort, Roxie and JP West*
