“ *Donna and Family,*

What an incredible man Danny was. Rex and I met Danny at Charleston AFB in 1980. He was our branch chief when we were Airmen. Danny mentored us like we were his own children. We later became great friends and enjoyed our many boating trips, listening to CCR and shag dancing until dawn! Throughout the years, the distance separated us but, we never lost touch. Danny was a kind, gentle and fun-loving man who we respected and grew to love. He loved his family and friends and would give his last dime to help a stranger. Danny always had sound advice and wisdom to share with everyone in his path. We are so blessed to have known this wonderful man and call him our FRIEND. We will miss Danny dearly and treasure his memory always. Our love, prayers and sympathy go out to the family and all those who had the pleasure of knowing this special man.

“ My heart is saddened. Danny was a wonderful cousin, although we had not seen each other in years. I will always remember his kindness to me when I was a little girl. He always had time to stop and talk or play. My prayers to his entire family. I am so sorry and I love you all.
