“ We are so sorry to hear the news of Danny. He was such a true, caring friend and we go way back driving these old trucks! We worked together at Sara Lee and Walmart, after I got him the job in Sanger. There was never a dull moment with Danny and after we both retired from Walmart we continued to stay in touch through both our ups and downs with our health issues. I missed talking to him lately, but I know he's not suffering now. We send our deepest sympathy to his wife and their entire family.

“ Every time I went to visit my sister Carol, Danny always made me feel welcome. On numerous occasions he took us out to nice restaurants for a great meal, his treat. He always had stories to tell about his many years as an over-the-road semi-truck driver. The places he told about sounded absolutely wonderful! In August of 2016 I had the privilege of taking a week-long trip to Yellowstone National Park with Carol and Danny and their two little dogs. There was never a dull moment with Danny at the wheel sharing stories and information while we were traveling! I will never forget that trip as long as I live, and hope to visit Yellowstone again one day.
