Remembering David Joe! Many years ago we were best of friends, we worked hard and played hard, we rode and roped, hunted and told tall stories, laughed till we cried, the old cowboy will never die, just nod and ride away!

“ I have many great memories of David, Teresa, Nellie, and Belinda from years ago! But, one that really stands out to me is of David riding his Tennessee Walker up our driveway on Smith Oak Rd. about a mile from their home further down. He was sitting so straight and proud in his saddle!! I will never forget that!

Also, David leading the "raison dance" in the backyard of their house down the road when there was food on the grill and everyone was relaxing.

I lived in Huntsville when Teresa and David were in Nacadoches and would often drive over to spend the weekend. Sometimes at their home, the deer lease, or the lake where they were camping.

It was always a great time!

Can also remember one Christmas especially that Tres and David bought Nellie a Jeep car that you peddled. It was a bit small for her by Christmas and when she got to the end of the sidewalk she just picked it up and turned around.

Wishing y'all love and blessings!!

“ I have many good memories of David, Nellie, and Belinda. It may have been in the 1980's but they were 9 of the happiest years of my life. Living in the piney woods of Nacogdoches, horseback riding, camping, jumping off the barge and swimming at the Nazala deer lease. Deer hunting with David in my new freshly built pink deer stand. LOL! The boards were new and for some reason we're pink! David was a good man. Fun loving, easy going, and had a good heart. We moved to Sherman after 6 years in Nacogdoches and he worked in my families plumbing business along side my brother. Some of the customers called my mom and told her that they had never laughed so hard, listening to my brother and David's interactions while working. They worked well together, did an excellent job, and enjoyed it.

Remembering also the wonderful holidays and times that we shared at my mom and dads house. And going to midnight mass on Christmas Eve.

David joined the Grayson County Sheriff's Posse and road in the parades and rodeos with them. Nellie and Belinda road in a lot of those events as well.

So Many good memories that are still prominent in my mind and heart.

I still love you girls, Nellie and Belinda. I guess I will always remember y'all at that age and treasure those years.

I'm sorry for your loss and your pain.

God Bless.

Try to celebrate his life and revel in your good memories of him and with him.
