“ *My thoughts & prayers go out to the McLean family. Dave McLean was a co-worker of mine for almost 20 years. Dave was a hard worker who was very dedicated to his job. He worked well with others & hardly ever missed a day of work. Dave was a good provider for his family and was a man of faith. He loved his wife & family because he talked about them often. His kindness was obvious & he was always willing to help when needed. The world could use a lot more people like David B. McLean.*
