“ *I miss my Uncle David so much. He always made me so happy and made me beautiful art and clothing that i loved and wore for years and years. He was the most fun and non-judgemental guy. I remember him crying... When we spoke on the phone. Because he could'nt see me and hug me. I was too far away and stuck, estranged from my family. He said it wasnt fair. He was absolutely right about that. Thanks for leaving so much beautiful art behind for us Uncle. I love you very much and miss you. Until we meet again, give grandma a kiss for me and give aunt Carolyn a big hug for me tell her i said thanks for being there for me. Love, Christanna (Cookie)*

“ Dear Miller family,

So very sorry for the loss of your brother. My brother Bruce emailed me David's obituary. Reading all the names of David's surviving and passed siblings flooded my mind with memories of your family. Always had a good time and memories that are ingrained in me.

My heart goes out to you all. The older we get the harder it seems to me to lose a loved one. But our Catholic upbringing is what brings us through. God bless each of you, and so very sorry.

Thoughts and prayers with you all,

Jan Schulze Bryan and family
