“ I've known Debby since the 1980's when we began working together on real estate transactions when I was with Bryan County Abstract Company. She was an absolute joy to work with and get to know. I have been privileged for almost seven years to work for the great organization she's been with all these many years, First United Bank. She has been a wonderful friend and mentor to so many in this industry and to our great community. She will be sorely missed by so many of her friends and colleagues. Sending prayers for all her family and many friends in this difficult time. Love Always,
